Great instructor, who teacher from the heart!

I enjoyed the class

The instructor was very knowledgeable with the topic and able to in a way as to make the class simple to follow.

This student would like to have the above instructor teach future classes.

Instructor is a very knowledgeable instructor and brings a lot of energy to the classroom.

This was a tough course but I like that fact that she was easy to communicate with. I had a lot of email contact with her. This is the 1st time I had numerous emails from a Professor who helped guide me in the right direction. Overall, she was very good and helped with lots of guidance and direction. More professors should use emails. As you know these are fast courses and email communication helped a lot.

Instructor Schmit was very knowledgeable and patient with the class. She is an asset to the college.

Dr. Schmit made a difficult course palatable + understandable. Hard cover book was difficult for use + understand - too technical - Dr. Schmit made it easy to understand.

Dr. Lisa Schmit is very knowledgeable about more than just her course. She is very helpful towards an all-around subject, which is life. If I had a choice in instructors to choose from she would be in the top two. A very clear and easy instructor to understand. I wish the other instructors had taken notes from Dr. Lisa Schmit. She will be missed very much. A very nice person. Thanks for being a great instructor. You must be a great friend to have, someone special.

Good course/Excellent teacher!

I enjoyed the class.

A little more seasoning will make Dr. Schmit an excellent teacher. Explain what you want.
